Dear Families,

NEWSLETTER – Week 7, Term 3

Learning Management Business Reform (LMBR)

Early next term we will be changing over all of our business systems (finance, human resources, student management and learning management) to a new platform. Among other things, LMBR will provide:

- Accurate reporting of financial operations.
- Better definition and reporting on services.
- A unique and secure student registration number and single source of up-to-date information about our students.
- Increased and improved information about student academic achievement and plans.
- Better tracking of important health, well-being and emergency contact information.

Our school will 'go live' in early Term 4 so we'll need to give all staff (especially in the office) time to adjust to the new software.

Winanga-Li ATSI Celebration Day

Last Monday some of our students attended the celebration day for Aboriginal and Torres Strait Islanders at Winanga-Li. The activities included face painting, traditional dancing and checking out the fire engine. Thank you to Emma Christie and Di Cawthray for taking the students.

Ag-Quip

The majority of our students enjoyed a great day at Ag-Quip last Wednesday. They returned to school thoroughly exhausted but happy with their goody bags. Thank you to Katrina King who organised and donated money to the businesses who gave goody bags to our students.

Kinfolk Student Cafes (KSC)

KSC fuse together healthy, fresh ingredients and have made it their mission to make nutritious and delicious food accessible to students and staff. Our school will be trialling this service next week. Please contact Lisa Davis on 0434 368 267 for more info or visit their website; <http://kinfolkstudentcafes.com.au/> Orders can be purchased on your smart phone via their app or we can ring through the orders which they will deliver to the school.

Room 5 science

Students from Room 5 have been learning about 'forces' and 'motion'. They are shown below putting their theory into practice.

Healthy Harold

Teaching children healthy eating habits can go a long way to help them live a healthy life. All students showed a great understanding of healthy lifestyle choices and our younger students enjoyed giving Harold a cuddle!
