**Dear Families,**

## **NEWSLETTER – Week 10, Term 3**

### **Learning Management Business Reform (LMBR)**

LMBR will provide:

- Better definition and reporting on services.
- A unique and secure student registration number and single source of up-to-date information about our students.
- Better tracking of important health, well-being and emergency contact information.

Our school will 'go live' on Monday 16<sup>th</sup> October, so we'll need to give all staff (especially in the office) time to adjust to the new software.

### **Train excursion**

Last Wednesday students from Room 2 caught the train to Werris Creek, visited the museum and had lunch in the park. They are learning about different kinds of transport people use and the students were even allowed to meet the train driver and sound the train's horn.

### **Kinfolk Student Cafes (KSC) for students and staff**

We will be encouraging regular lunch orders every Friday for students and staff. Please contact Lisa Davis on 0434 368 267 for more info or visit their website; <http://kinfolkstudentcafes.com.au/> Orders can be purchased on your smart phone via their app or we can ring through the orders and they will be delivered to the school.

### **GS Kidd School Charity Golf Day**

Last Sunday our P&C organised and ran a very successful charity golf day for our school. Thank you to Bec and Brad Gander, Beck Dridan, Mick and Erin Edmunds, Craig and Anna Hannaford, Mal and Carrie Leader, Bill and Katrina King, Karen and Lindsay Maaney and Kath Lord for ensuring the day ran smoothly. The funds will be used to purchase outdoor equipment for our school.

Winning team included Des Hatch, Angelo (Downer), Casey Hatch, Paul Jaeger shown with Bec Gander.

Mal and Bill on BBQ duty!

Katrina, Heathy, Bec, Karen, Jock, Beck and Kath having a well-earned rest!

Lucy, Heath, Jock, Ethan, Kate, Charlotte, Alyssa, Jessica and Jamie enjoying a get together.

### Sensory garden

Last week, our students had to work extra hard in the sensory garden. They had to fill the three raised garden beds (installed by Graham Law from Gordon Barry and Co) with the rocks donated by Mackellar Excavations. A special thank you to our older students who have given up their recess and lunch times to complete all the jobs.

### Annual verification meetings

Every year School Learning Support Teams in partnership with families monitor the progress of children and young people who have additional support needs to ensure they are learning effectively and making adequate progress. Our meetings will be held on 10/10/17.
