Dear Families,

NEWSLETTER – Week 1 Term 2

Welcome back

We were all pleased to welcome back students from the holiday break and to see their smiling faces.

Keeping your kids healthy

For safety's sake, if your child seems unwell you should always keep them home from school and seek medical advice. Other ways you can keep your child healthy include:

- Getting your child to help pack their lunch box so they are more likely to eat what's in it.
- Including protein in your child's lunch box to keep them full and energetic.
- Exercise is vital in helping manage weight, keeping muscles strong, helping their hearts and lungs develop, and improving their hand-eye coordination.
- Washing your hands regularly to avoid germs.
- Coughing into your elbow, not your hands.
- The healthiest drink options for kids are water and milk.

Anzac Day March 2018

Thank you to staff and the following students who marched on behalf of the school on Anzac Day; Ethan Leader, Conor Roberts, Alyssa Ferguson, Charlotte Gander, Damian Bindley and Ava Mizzi.

Indian restaurant

Last term Rooms 4 and 5 studied aspects of Indian life with Sarah Dando. On the last day of Term 1 the students enjoyed a delicious lunch at our local Indian restaurant. They are to be congratulated on their lovely manners and willingness to try different foods, which they certainly did!

Facebook Page

We have created our own Facebook page which has been verified as the official page for our school. This page will highlight positive aspects of our school community and is not a platform to discuss anything negative. Please remind your child that it is illegal for staff to add students to their personal social media accounts. Direct your child to our Facebook page instead.

Commonwealth Mini Games

At the end of Term 1 we held our own mini Commonwealth Games display which included staff showcasing different events held in the official games. The students found this very entertaining and enjoyed our local talent including meeting the queen!
