NAIDOC CELEBRATION AT GUNNEDAH SOUTH PUBLIC SCHOOL:

Our students would like to thank the staff and students of Gunnedah South Public School for providing them with the opportunity to attend these celebrations.

The Invictus Games are an international adaptive sports event for wounded and ill servicemen and women, both active duty and veteran. The Games celebrate the healing power of sport to inspire recovery, support rehabilitation and generate a wider understanding and respect for those who serve their country.

As an extension of the work done by our students, application was made for tickets to the Invictus Games. We have been successful in obtaining fourteen tickets and limited support staff tickets to attend the Games.

Invitations will be extended to fourteen students from the Girls' and Boys' Clubs, to participate in the excursion to Sydney on Monday 22nd October and returning on Wednesday 24th October.

The cost for each student will be \$100 which will be a contribution towards the total cost of the excursion. The costs include accommodation, meals, bus travel and tickets to the Invictus Games competition day. Fundraising events are being planned to support our students.

The invitation to selected students from our Girls' and Boys' Clubs will be extended very soon.

Marg Amos and Karen Hobson, (Organising Teachers).
