**RELIEVING PRINCIPAL’S REPORT:**

Over the last two weeks, staff have been sending classroom updates on what’s happening in each room. One of the major changes has been the return to home rooms for teachers and SLSOs. This decision was made on the basis of data and observations provided. This approach is being trialled and will be evaluated later in the term. I’m more than happy to discuss this or any other matters. Please call the school to set up a suitable time to meet.
