## **RELIEVING PRINCIPAL'S REPORT:**

Many of our students enjoyed excursions last week to AgQuip and to the Gunnedah Rural Museum. Thank you to the staff who organised these excursions.

We have a number of events still coming up this term. Please don't hesitate to contact the school if you would like to meet to discuss any issues or concerns you may have.

## **NEWCASTLE FOOTBALL TRIP:**

Its footy time!!!

Bill King will be driving the Keating's bus— we plan to leave at **7am** on Saturday 1<sup>st</sup> September from the school and come home after the game on the same day (getting home around 10-10.30pm).

We have been able to get tickets from our friends who play Junior League, and have received a fuel voucher from Lowes Petroleum for fuel for the bus. This has meant that the cost is half what it has been previously, at \$50 per person. You can pay this when you get on the bus.

The forecast is for a beautiful sunny day with a temp of 22 degrees. Remember you are on a bus with other people so wear your deodorant and pack some sunscreen. Please have breakfast before you get on the bus and pack morning/afternoon tea, and a bottle of water. Lunch is included in the price (sandwiches and a drink), and dinner (pizza and a drink). If you don't eat these, please pack your own or purchase at the football.
