### QUESTIONNAIRE:

Dear Parents and Carers,

My name is Zara Whelan and I'm in Year 12 at St Mary's College. In my Community and Family Studies subject we are required to undertake an Independent Research Project. The topic I have chosen is *"Do Teenagers with a disability experience more bullying via social media than teenagers who don't have a disability"*. As part of the research I will be providing a questionnaire to staff for students of high school age to complete in school time.

**If you would prefer your student did not complete the questionnaire please advise the school.**

Thank you  
Zara.

### ABILITY LINKS:

Ability Links supports vulnerable people including people with a disability, carers and families to link in with their community and achieve their goals. They will be hosting Outreach days around the region where Linkers will be available to speak to participants, families and community members about what they do and how they can assist. Ability Links can assist with connecting people within their community, e.g. services, community groups, study, volunteer work, Employment Support- Resumes, Tax file numbers, WWCC, Police Checks and NDIS access. If you know of anyone who might need assistance or would like more information ask them to phone 0459 096 935 or 0400 673 370.

### RELIEVING PRINCIPAL'S REPORT:

Week two has been a busy one at GS Kidd with a number of excursions. Thank you to the staff and volunteers who have supported and participated in this week's excursions. It has required a team effort to ensure the excursions were a success and also that those students who remained at school were able to continue with their regular routine.

Please take time to read the information in the P & C Report that notes upcoming events and note also the request from Zara Whelan for high school aged students to participate in a questionnaire.

- Bec Maybury.
