END OF YEAR CELEBRATIONS:

Staff will be hosting a lunch for our students on **Friday 7th December**. This will also include the annual book giving.

The end of year Presentation/Christmas Concert will be held at Gunnedah South Public School Hall from **9:30am on Friday 14th December**. Following this there will be a morning tea at GS Kidd School which will mark the beginning of the Family Fun Afternoon which will continue until 3pm. We look forward to a fun day celebrating the success of our students.

SHARE OUR SPACE:

After consultation with the P & C and staff, it was decided that GS Kidd School will be participating in the *Share Our Space Initiative* again. As part of the initiative the school will be open each day during the school holidays. A security guard will be in place to monitor safety and security and gates will be locked at closing time each evening.

FRIDAY RAFFLES:

The next TWO Friday nights will see the conclusion of the raffles at the Gunnedah Bowling Club with money being donated to our school. Everyone is welcome to come along and join in the fun of selling tickets.

CAROLS IN THE PARK:

The Gunnedah Minister's Fraternal invites everyone to come along to the annual *Carols in the Park* on Friday, December 7.

Bring your family, chairs or a picnic rug and enjoy this wonderful community event. There will be a BBQ, glow sticks and children's choirs singing traditional and well-known carols. The big man in the special RED suit will visit and the night will end with a fireworks display (weather permitting). If rained out on the 7th, the event will go ahead on Sunday December 9th.

Braith enjoying sport with Gunnedah South Public School MC Class last Thursday. This Thursday will be the final of our combined activity afternoons.

PRINCIPAL’S REPORT:

As I mentioned last week we are planning for 2019 and this will require some changes. It is essential we ensure that we are meeting the needs of the students enrolled at GS Kidd School while also complying with the Department of Education processes and policies. I acknowledge that change is not always easy for people to accept. However, these decisions are made with the best interests of the students in mind. Once plans, including classes and programs are finalised, the information will be communicated to everyone.
