# All Abilities Cricket

G.S. Kidd School was very fortunate to be one of three schools in Gunnedah to be offered the opportunity for students to participate in an All Abilities Cricket Program, made possible by support from Woolworths Community Funding. All thirty three students from G.S. Kidd School were registered and as part of the funding, each registered participant received a pack that included a shirt. The program ran over 4 weeks under the guidance of Mrs Bec Gander, Participation Officer with Cricket N.S.W. assisted by St. Mary's College students Kate Gander, Will Ford and Carter McIlveen. The sessions were based on the Woolworths Cricket Blast Junior Blasters and the focus was on participation and learning cricket based skills. The students thoroughly enjoyed the program and learnt many valuable skills. A huge thank you to Woolworths Community Funding, Mrs Bec Gander, Cricket NSW and the St. Mary's students who so very generously gave up their time to volunteer. Your support of our school is very much appreciated.

# PBL Awards

## QR Codes for Schools

The Service NSW COVID safe check-in is required for visitors to the school, complimenting existing school visitor sign-in processes, including the external visitors to the school site form.

Visitors signing in at the front desk should self-serve using the COVID safe check-in tool as displayed in the poster. Schools should adapt the COVID safe check-in within their existing process for visitors to their school.

Parents and carers who are only dropping off and picking up students **do not need** to check in using the Service NSW QR code.
