Positive Behaviour for Learning (PBL) is a whole school framework that helps promote positive behaviour across a school.

Students are explicitly taught expected behaviours on a weekly basis during assembly, and we celebrate students' successes during this time.

This framework establishes clear and consistent boundaries that are expected.

PBL is focused around Safe, Respectful and Responsible behaviours. Staff are focused on taking a proactive, preventative approach to ensure all students receive a level of support to help them to be success both in the school and community

environment.

Happy 70th Birthday  
Mrs Holmes, we hope you enjoyed your birthday, and liked your card from the GS  
Kidd Memorial School students.
